

2025 OHCA Sponsorship Guide

ABOUT THE OHCA BUSINESS PARTNER PROGRAM

Companies who do business in the long term care profession are invited to join OHCA as business partner members and are encouraged to exhibit at and sponsor events and activities to build brand awareness and visibility with Oregon's long term care provider operators, leaders, and decision-makers.

Business Development and Positioning as Experts

OHCA encourages business partners to work with our events and education team on speaking opportunities at one of OHCA's many events held throughout the year. Business partner members are the only vendors that may speak at OHCA educational events and speaker sponsorships are available.

Printed Membership Directory

Business partner members receive a complimentary copy of and are listed in OHCA's Membership Directory which lists all companies/facilities and business partners that are members of the association. This directory is mailed to all members in January to reference.

Online Business Partner Directory

On our website at www.ohca.com/buyers-guide, visitors and provider members can view a list of OHCA member business partners. This list is searchable by category and by name. OHCA members turn to business partners first when searching for vendors and service providers.

Sponsorship and Exhibits

There are many opportunities for business partner members to showcase their businesses at a wide variety of OHCA's annual events, educational events, and other meetings throughout the year as well as on OHCA's media outlets including the website, newsletters, and more. Sponsorships enable business partners to build brand recognition by reaching a diverse audience of providers in the long term care profession.

CONTENT SPONSORSHIPS

Gain visibility and build brand awareness in OHCA's digital and print communications outlets.

Sponsoring OHCA content enables you to gain visibility with OHCA's provider members online and in print. Only OHCA business partners may participate in the following content sponsorships.

OREGON CAREGIVER MAGAZINE

Sponsored Content

OHCA offers sponsored content in our Oregon Caregiver magazine, distributed bi-annually in print to each of our provider members, operators, business partners, Oregon policy makers, and key stakeholders. The printed magazine is shared in Spring Expo and Annual Convention attendee bags and is available and distributed online via our News Bulletin newsletter and on social media.

Visit www.ohca.com/news/publications to view past issues of this magazine.

Content sponsors will be able to work with OHCA to produce one 500-700 word article for either the spring/summer or fall/winter magazine. The sponsor will receive a byline and can include a head shot and contact information. Content should be educational and resource-based in nature and not focus on specific products or sales information.

Two sponsor content opportunities per magazine are available.

Sponsored content rate: \$2,000

OHCA.COM WEBSITE

The OHCA.com website is visited by an average of 20,000 unique visitors per month and most visitors are looking for information on the latest regulatory and compliance-related information, OHCA events and education opportunities, the OHCA Buyers Guide, the OHCA job board and workforce resources, and much more. Five website content sponsorships are available.

- Monthly sponsorship rate: \$250

OHCA NEWSLETTERS

News Bulletin

Sponsor OHCA's weekly newsletter, the OHCA News Bulletin, which is distributed weekly to over 4,000 provider members including all CEOs, CFOs, vice presidents, administrators, nurses, and other leaders and decision-makers. The News Bulletin has an open rate of 15-25 percent, much higher than average open rates, meaning that recipients are reading the newsletter content.

Sponsorships include prominent display of the organization's logo and a link-out to the organization's website or an email address.

Two newsletter sponsorships per month are offered.
